‘Small’ Data in A Big World: A Research Showcase

Thursday, December 10th
1-3pm
3rd Floor of Memorial Hall

Join us for two poster sessions that explore what students learned when they tracked select behaviors and habits during the fall semester.

Session One:
- Digital Distractions
- Caffeine Intake of Grad Students
- College Students: Where Does Our Money Go?
- Student Technology Use in the College Classroom

Session Two:
- Work/Life/School Balance
- Money Well Spent
- Clocking In: How We Spend Our Time
- Where We Eat on Main Street
- Managing Energy Intake

Light Refreshments Served
